

# Replacement Parts

**Part-number    Description    Description / Application    Quantity**

## Reverse Osmosis

102284	O-ring	Size 2-125 for OLD 1.5" ID tube coupler, 2 required per coupler	30	
104038	Brine Seal	Used for 2.5" diameter elements	10	
151705	O-ring	O-ring for 1.125" couplers , Size 3-912, 2 required per coupler. Fits current couplers 266935 and 255289 as well as older styles 129768 and 103971	30	
216370	O-ring	O-ring for coupler 259171 , Size 2-218, 2 required per coupler	30	
232009	O-ring	O-ring for iLEC endcaps , Size 2-225, 1 required per element or adapter	10	
305289	Brine Seal	Used for all 8" diameter elements , Seal pc epr brine 8.0 u-cup	5	
89255	O-ring	O-ring for 89055 and 89048 , Size 2-210, 2 required per coupler	30	
94109	Brine Seal	4" Brine Seal , Used for all 4" diameter elements	10	
110038658	Spacer	8" PS HSRO Spacer Tube with 1.125" ID , Polysulfone tube for HSRO systems utilizing 8-inch elements	1	
11038659	Spacer	4" PS HSRO Spacer Tube with 0.5" ID , Polysulfone tube for HSRO systems utilizing 4-inch elements	1	

121302	Spacer	8" Large Spacer Tube with 1.5" ID , For Low Energy and Nanofiltration systems	1	
124513	Spacer	4" Spacer Tube with 0.5" ID , For systems using 4" diameter elements	1	
124515	Spacer	8" Spacer Tube with 1.125" ID , For systems with seawater elements and most brackish water elements	1	
196309	Coupler	8" "Step-Down" Coupler , Couples elements with a 1.125" ID tube to elements with 1.5" ID tubes	1	
255289	Coupler	8" Full-fit Element Coupler , Polysulfone coupler for 8-inch full-fit elements. Uses size 3-912 o-rings	1	
259171	Coupler	8" Large Tube Coupler- 1.5" ID Tube , Coupler for XLE-440. Uses size 2-218 o-rings	1	
313198	Coupler	8" BW Coupler- 1.125" ID Tube , coupler for BW30-365, BW30-400, LE-400. Use with all other 8" diameter seawater elements and most 8" brackish water elements. Uses size 3-912 o-rings	1	
89048	Coupler	4" HSRO Full-fit Element Coupler , Polysulfone coupler for connecting 4" HSRO full-fit elements. Uses size 2-210 o-rings	1	
89055	Coupler	2.5" and 4" Element Coupler , Used for 2.5" and 4" diameter elements. Uses size 2-210 o-rings	2	
249095	Adapter	8" Adaptor for iLEC Endcaps (with o-ring) , Downstream side of housing; Fits CodeLine housings	1	

249101	Adapter	8" Adaptor for iLEC Endcaps (no o-ring) , Upstream side of housing; Fits CodeLine housings	1	
245831	Puller tool	Puller Tool for elements with iLEC endcaps , Helps ease the removal of elements	1	
153407	Lubricant	Lubricant Dow Corning 111 , Used for lubricating o-rings or brine seals	12	
299916	Band Clamp	Ratcheting Band Clamp for elements with iLEC endcaps , for elements with iLEC endcaps. Helps ease the loading of elements	1	

**Ultra-filtration**

10385715	O-ring	O-Ring for EDI-310 Concentrate Nipple, Dilute Nipple, and Electrolyte Connector	10	
10385905	O-ring	O-ring sealing on the inter-connector for the top end cap. Fits SFP/SFD-2860, 2880, and IntegraPac modules	10	
10385958	O-ring	Composite O-ring for air quick tube connector for all Dow modules	10	
10385962	Rectangular Seal	Seal between interconnector or end flat for SFP/SFD-2860 and 2880 modules	10	
10385963	X-ring	Seal between the module end cap and the module vessel. Fits all Dow modules	5	

10380901	Top End Cap	Includes full end cap, interconnector tube, interconnector o-ring (2), threaded bushing, rectangular seal, and head cover. Fits SFP/SFD-2860 and 2880 modules	1	
10380902	Bottom End Cap	Includes end cap, end flat, threaded plug, threaded bushing, rectangular seal, and composite o-ring for air connector. Fits SFP/SFD-2860 and 2880 modules	1	
10410127	IntegraPac Top End Cap	Includes top end cap and interconnector o-ring (2) for all IntegraPac modules	1	
10380911	Isolation Package	Includes 3 port plugs , 3/8" threaded air plug, and composite o-ring. Fits IntegraFlo, SFP/SFD-2860, and 2880 modules	5	
11111893	Isolation Package	Includes DN40 filtrate port plug, 4 port plugs(4"), 3/8" threaded air plug, and composite o-ring. Fits all IntegraPac modules	1	
10385720	Nipple	Threaded concentrate nipple for the EDI-310 module	10	
10385721	Nipple	Threaded dilute chamber nipple for the EDI-310 module	10	
10385964	Coupling gasket	Rubber gasket for sealing the 2" port couplings. Fits all Dow modules	6	
10410855	Coupling gasket	Rubber gasket for sealing 4" port couplings for all IntegraPac modules	2	
10407245	End Flat 2.0	Bottom end flat, version 2.0 matched based on serial number of SFP/SFD-2860 and 2880 modules	5	

10404024	2" Coupling Set	Victaulic couplings with hex head screw and nuts. Fits all Dow modules	3	
11111891	IntegraPac 4" Coupling Set	Victaulic couplings with hex head screw and nuts. Fits all IntegraPac modules	2	
101106877	IntegraPac End Flange (4" NPS)	End Flange 4" NPS for all IntegraPac skids	1	
10387811	Quick Tube Connector	Threaded quick tube connector for UF bottom air port. Fits 3/8" or 10mm diameter tube. Fits IntegraFlo, SFP/SFD-2860, and 2880 modules	10	
10407241	EDI 310 Electrolyte Connector	Threaded electrolyte connector for the EDI-310 module	10	
10410926	IntegraPac Quick Tube Connector	Threaded 3/8" air connect for all IntegraPac modules	10	
10409998	IntegraPac Filtrate Pipe Elbow	Transparent filtrate pipe elbow for all IntegraPac modules	1	
10412272	IntegraPac Spare Bay Kit	Kit includes 2" Coupling Set with plug, 2 spacer pipes, and 3/8" air plug with composite O-ring	1	
10411893	Module saddle	Module saddle for all UF products	5	
10380918	Fiber Repair Kit I	Concentrate tube plug for all Dow modules. Air quick connector included	1	
10380920	Fiber Repair Kit III	Fiber repair essentials: 30 repair pins with Loctite 406 glue	1
